ISLAND DAY
CAMPUS PREVIEW EVENT
TEXAS A&M UNIVERSITY-CORPUS CHRISTI
Welcome to Texas A&M University-Corpus Christi!

Continental Breakfast
University Center, Anchor Ballroom
7:00 - 10:00am
Enjoy a light breakfast and review today’s schedule before the exciting day begins!

Submit Documents and Check Your Application Status During Breakfast
Meet admissions and academic testing representatives during breakfast to check your application status or to submit shot records, or official transcripts (in sealed envelopes). You will also have the opportunity to meet with testing representatives to check your TSI Assessment status or to have them retrieve your official TSIA scores. Islander Launch new student orientation staff will be on-site at lunch to help admitted students register for an orientation session.

Welcome to the Island University! Official Welcome Session
Dugan Wellness Center Gym
9:00 - 9:30am
Members from the Islander Pep Band will kick-off the day with a short pep rally! Learn about what to expect and how to make the most out of your campus visit. Island Ambassadors will direct you to the Academic Showcases from this session.

Attend an early morning breakout session before the welcome session begins!

Island University Overview Presentations
University Center, Oso Room (2nd floor)
7:30, 8:00, and 8:30am
Learn about the rich history and traditions of Texas A&M University-Corpus Christi!

Study Abroad Information Session
University Center, Bayview Room (3rd floor)
7:30, 8:00, and 8:30am
The Office of International Education provides opportunities for Islanders to study abroad to learn history, art, and cultures from around the world. Learn how Islanders begin and fund their study abroad experiences.

Financial Aid Information Sessions
Performing Arts Center
7:30 - 8:00am and 8:15 - 8:45am
Learn about the financial opportunities the University offers to fund your education.

Campus Tours
Departing every 15 minutes from East Lawn (outside of the University Center)
Departing at 7:30, 7:45, 8:00, and 8:15am
Join a quick tour of campus led by an Island Ambassador. Tours will depart from the East Lawn and guests will be dropped off at the Dugan Wellness Center for the official welcome session.

I-Create MakerSpace Open House
Mary & Jeff Bell Library (2nd floor)
7:30 - 8:50am
The new I-Create MakerSpace gives Islanders access to limitless potential for innovation and imagination. Stop by to take a look at the various machines and technology offered to Islanders including 3D printers, Virtual Reality, Embroidery Machines, Laser Cutter, Sewing Machine, Poster Printer, and more!

Weil Art Gallery
Center for the Arts Foyer
7:30 - 8:40am
The Weil Gallery and Student Art Association are proud to present My Medium, an exhibition of works by current TAMU-CC undergraduate students. Bringing together artwork across all disciplines including: printmaking, painting, drawing, photography, sculpture, ceramics, and graphic design. The artists showcase a broad range of styles and technique, representative of the vibrant art community of the Island University!

ApplyTexas and FAFSA Workshop
O’Connor Building, room 241 (2nd floor computer lab)
7:30 - 8:50am
Let us help you apply for admission and financial aid!
Academic Showcase Sessions (See pages 3 & 4) 9:45 - 10:30am & 10:40 - 11:25am
Discover some of the University’s top-rated programs! Choose from a variety of sessions to immerse yourself in the true Islander experience! Island Ambassadors will be located around campus to help you with directions.

Lunch, Island Fair, and Admissions Rotations 11:35am - 1:45pm
*Match your wristband color with the schedule below to determine your lunch rotation.
Get a taste of Islander Dining, browse information tables to meet members from various campus departments, organizations and academic programs, and learn the next steps towards becoming an Islander!

Have dietary restrictions? Let a catering staff member know.

Afternoon Breakout Sessions (See page 5) 2:00 - 4:30pm
Choose from a variety of sessions: financial aid, Islander Housing, student life, admissions, and tours.
## UNIVERSITY COLLEGE

**First-Year Learning Communities, Honors Program, & University Studies/Applied Science Degrees**

O'Connor Building, room 115 - Ms. Chelsie Hawkins

Learn more about the programs that University College offers including our award-winning First-Year Learning Communities Program, our Honors Program and the Applied Science, and University Studies degree programs.

---

## COLLEGE OF BUSINESS

**Welcome to the College of Business!**

O'Connor Building, room 145 - Dr. Anita Reed

The College of Business at TAMU-CC offers students the best quality education in seven major areas. The college is accredited by AACSB International in both Accounting and Business, a distinction held by only one percent of business schools worldwide. Stop by to learn more about our programs, internship opportunities, international experiences, and why TAMU-CC is among the premier business schools in Texas!

---

## COLLEGE OF EDUCATION AND HUMAN DEVELOPMENT

### DEPARTMENT OF CURRICULUM, INSTRUCTION, AND LEARNING SCIENCES

**Teacher Education Information Session**

Island Hall, room 162 - Dr. Kathleen Lynch-Davis

Learn about programs preparing future educators, including certification preparation courses, field-base training, and the Early Childhood Development Center, the laboratory school located on campus. The College of Education and Human Development also offers minors that help build training and leadership skills for majors including business, liberal arts, and sciences.

---

**Kinesiology Information Session and Lab Tours**

Island Hall, room 160 - Dr. Frank Spaniol and Dr. Mikaela Boham

Learn about the Kinesiology specializations including exercise science, EC-12 teacher certification, pre-physical/pre-occupational therapy, sport management, and allied health. Kinesiology also offers minors in exercise science and sport management. The tour will include the biomechanics lab, motor development lab, exercise physiology lab, athletic training center, fitness rooms, and equipment including Dartfish motion analysis, iDEXA body composition analysis tools, and Vizual Edge visual analysis tools.

---

**Army ROTC - Islander Battalion**

O'Connor Building, room 116 - Mr. Raul Ramirez

Presentation topics include opportunities for leadership training, cadet life, hands-on/adventure training, and financial incentives.

---

## COLLEGE OF LIBERAL ARTS

### DEPARTMENT OF THEATRE AND DANCE

**Theatre Tours**

Center for the Arts Lobby - Ms. Rosa Lazaro

Tour the campus theatres and learn about the 2018-2019 Theatre and Dance season.

**Islander Improv**

9:45 - 10:30am & 10:40 - 11:25am

**Warren Theatre, Center for the Arts - Ms. Meredith Melville**

Laugh along with the Islander Improv Players as they create fun-filled mayhem! Under the direction of troupe sponsor, Meredith Melville, Islander Improv will perform and then discuss the method behind the madness!

**Dance Performance**

Wilson Theatre, Center for the Arts - Ms. Jillisa Cotten

The Island Dance Company will perform pieces from the Bailando Dance Festival.

---

**Careers in the Music Industry and How to Find Them**

Bay Hall, room 207 - Dr. Dan Sipes

Performing and Teaching make up only 20% of the jobs in the music industry. This class will focus on these career paths and the other 80%.

---

**3D Tour and Recipe for Success**

Center for the Arts, room 112B - Professor Louis Katz

Tour of the Metal Foundry, Ceramics Studio and Woodshop, a short demonstration, and a recipe for success in college.

**Studio Photography Information Session**

9:45 - 10:30am

**Hammerhead Parking Lot Modular Building 2 - Ms. Jennifer Garza-Cuen and Mr. Robert Neal**

This touch-of-class presentation will introduce participants to the photo facilities in Modular Building 2 (at the Hammerhead parking lot). During this presentation we will also demonstrate a classic studio portrait photography set-up.

**Photography Facilities Tour**

10:50 - 11:25am

**Hammerhead Parking Lot Modular Building 2 - Ms. Jennifer Garza-Cuen and Ms. Tristan Schober**

This tour will introduce students and parents to the photography facilities at TAMU-CC.

---

**Fake News and U.S. Media**

Bay Hall, room 104 - Dr. Anantha Babbili

The role of journalism in the ever-changing global political scene is as important as ever, though the rise of alternative news outlets and social media has shifted the terrain in ways that have led to great distrust and misunderstanding. This session will offer some insights as to how news and politics are being impacted by these current trends.

---

**Why English Majors Will One Day Rule the World**

O'Connor Building, computer lab 241 - Dr. Charles Etheridge

Social media, the Internet, and the digital revolution have completely changed the way we live and work—and have made English majors who can write well a “hot” commodity. This presentation will talk about these changes, about the job landscape for writers, and will provide a couple of fun, quick activities for those who want to get their feet wet writing for the digital world.

---

**Do We Have Free Will? - Philosophy at TAMU-CC**

Bay Hall, room 206 - Dr. Ana-Maria Andrei

There seems to be a clash between our deterministic picture about the universe, according to which everything that happens is necessitated by prior causes, and the view that human beings have free will at least some of the time. This lecture will explore the question whether free will and determinism can be reconciled.
COLLEGE OF LIBERAL ARTS (continued)

DEPARTMENT OF SOCIAL SCIENCES

What is Crime? Criminal Justice at TAMU-CC 9:45 - 10:30am & 10:40 - 11:25am
Bay Hall, room 103 - Dr. Wendi Pollock
The presentation will begin with video clips of Jeffrey Dahmer and Rosa Parks, followed by a discussion of the breadth and, sometimes, changing nature of crime, and the difficulty of having one criminal justice system that is tasked with effectively dealing with it all. After this, courses offered here will be discussed as well as the unique strengths of TAMU-CC faculty and the Criminal Justice program here at the Island University.

Public Opinion - Political Science at TAMU-CC 9:45 - 10:30am & 10:40 - 11:25am
Bay Hall, room 205 - Dr. Jeff Dillard
Throughout human history, savvy political leaders have repeatedly manipulated public opinion in order to serve sinister motives. Nazi Germany, Stalinist Soviet Union, and Cambodia under the Khmer Rouge serve as cautionary tales for the any free nation about just how malleable and treacherous public opinion can be in evil hands. Surely this could never happen here, right?

COLLEGE OF NURSING AND HEALTH SCIENCES

Welcome to Nursing and Health Sciences! 9:45 - 10:30am (Blue Group) & 10:40 - 11:25am (Green/Silver Groups)
Center for Instruction, room 113 - Ms. Leigh Shaver
This presentation will consist of a general overview of the College of Nursing and Health Sciences.

Nursing Facilities Tour - Islander Regional Hospital 9:45 - 10:30am (Green/Silver Groups) & 10:40 - 11:25am (Blue Group)
Island Hall, second floor nursing simulation labs - Nursing Students
Guests will have the opportunity to tour the state-of-the-art simulated hospital ward and patient simulator labs.

COLLEGE OF SCIENCE AND ENGINEERING

DEPARTMENT OF ENGINEERING

Engineering: “Calculations and Simulation in Mechanical Design” 9:45 - 10:30am & 10:40 - 11:25am
Engineering Building, room 104 - Dr. Aurelian Simionescu
A general introduction to the engineering profession will be made, followed by a presentation of TAMU-CC engineering programs. Of the classes students take towards a mechanical engineering degree at TAMU-CC, the Capstone Project class will be detailed, showing examples of design, engineering calculation and computer simulation work that students performed as part of their design.

Engineering Lab Tours 9:45 - 10:30am & 10:40 - 11:25am
Departing from Engineering Building (in front of elevators) - **NOTE: Each tour will be limited to the first 40 participants at each time slot.**
Tour the state-of-the-art facilities and technology used by students, faculty, and staff. In addition, learn the answers to questions about the hands-on learning opportunities offered to engineering students.

DEPARTMENT OF COMPUTER SCIENCES

Computer Science at TAMU-CC 9:45 - 10:30am & 10:40 - 11:25am
Engineering Building, room 107 - Dr. Mohammed Belkhouche
Learn about TAMU-CC's computer science program and the tracks offered for a profession in this field.

The Geospatial Revolution: GIS, Lasers, and Drones 10:40 - 11:25am
Engineering Building, room 101 - Dr. Michael Starek
This presentation will discuss the principal concepts of geographic information systems (GIS) and land surveying, while showcasing application areas and technologies, such as unmanned aerial vehicles (UAVs), online mapping, and disaster response.

GIS: MANTIS Geospatial Engineering Tours 9:45 - 10:30am & 10:40 - 11:25am
Natural Resource Center, room 3400 - tour provided by GSEN students
This presentation will discuss the principal concepts of geographic information systems (GIS) and land surveying, while showcasing application areas and technologies, such as unmanned aerial vehicles (UAVs), online mapping, and disaster response.

DEPARTMENT OF PHYSICAL AND ENVIRONMENTAL SCIENCES

Environmental Science at TAMU-CC 9:45 - 10:30am
Engineering Building, room 106 - Dr. Jennifer Smith-Engle
Environmental science is a highly interdisciplinary field embracing core sciences, regulations, and emerging technologies. Potential careers include consulting, positions in industry, local, state or federal agencies, non-profits, education, law, and more. Field trips, internships and undergraduate research provide high-impact learning opportunities, and customized degree plans fit students’ individual interests and goals.

Neutrinos and Dark Matter - Great Inquiries of the 21st Century 9:45 - 10:30am
Engineering Building, room 108 - Dr. Barbara Szczersinska
During this presentation, Dr. Szczersinska will take the audience on an intergalactic journey in search of an answer to the questions, “What is the Universe made of and how do we know how much we don’t know?”

Atmospheric Science at TAMU-CC 9:45 - 10:30am & 10:40 - 11:25am
Center for Instruction, room 128 - Mr. Kevin Nelson, PhD student
A program overview and look into the world of atmospheric science. You will learn about the research our faculty, graduate students, and undergraduate students are engaged in as well as learn about the various job opportunities for atmospheric science majors. You will also learn why TAMU-CC has one of the best satellite databases in the country!

DEPARTMENT OF LIFE SCIENCES

CSI Oceans: Using Forensics to Understand Marine Fish Migrations 9:45 - 10:30am & 10:40 - 11:25am
Center for Instruction, room 127 - Dr. Benjamin Walther
Fish can migrate large distances during their lives, although we know very little about movement and habitat use in most species. However, fish that move between different bodies of water may be stamped with unique chemical fingerprints in their bones and scales that tell us where they lived their lives. This lecture will discuss the use of chemical forensic techniques in fish to reconstruct migration patterns in southern flounder and Atlantic tarpon in Texas.

DNA: The Beginnings 9:45 - 10:30am
Center for Instruction, room 138 - Dr. Gregory Buck
This presentation is a condensed mini-lecture from what is actually given in sophomore-level Microbiology (BIOL 2421). Topic covers the initial description of DNA and the deduction of its structure to its known function, as described by Watson and Crick. Suitable for pre-med, pre-dental, pre-vet, pre-pharmacy and those students interested in biological science. I will also relate it to my own research in my lab with undergraduate students, and the opportunities possible for students attending TAMU-CC.

The Changing Coastal Zone; How mangroves are changing the coastal habitat in southwest Texas 10:40 - 11:25am
Center for Instruction, room 138 - Dr. Donna Devlin
Learn about the drivers of habitat change and opportunities to participate in undergraduate research.

Tidal Hall Life Science Research Building Tours 9:45 - 10:30am - 10:40 - 11:25am
Departing from Tidal Hall Lobby - Dr. Barnabas Daru, Dr. Annette Rodriguez, Dr. Ed Proffitt, Dr. Gregory Buck
TAMU-CC will be opening Tidal Hall for classes beginning summer 2019. Be the first to see this $60 million life science research facility.
### Presentations and Details

<table>
<thead>
<tr>
<th>Time</th>

<th>Location</th>
<th>Details</th>
</tr>
</thead>
</table>
| 2:00pm | Honors Program Information Session                                    | Bay Hall, room 103                | Learn more about the University's Honors Program and how it cultivates a strong community of motivated learners, opportunities for research, creative activity, study abroad, and service learning. Honors students also have their own live-in learning community at Miramar housing. **Requirements to join the Honors Program:**  
- **Freshman:** Top 15% or 3.5 GPA, PLUS 26 or greater ACT score OR 1200 or greater SAT score.  
- **Transfers:** Complete 24 hours and maintain a 3.5 GPA. |
| 2:40pm | Financial Aid and Scholarships                                       | University Center, Lone Star Ballroom AB | Learn about the financial opportunities the University provides to fund your education.                                                                                                                     |
| 3:20pm | Beyond the Classroom: Services and Skills                             | University Center, Oso Room (2nd floor) | Learn how the Division of Student Engagement and Success provides opportunities for Islanders to become engaged, involved, and successful outside of the classroom! This discussion will include Recreational Sports, Counseling and Health Centers, Career Services, Student Organizations, and more! |
| 4:00pm | Admissions Counselor Q&A                                              | University Center, Lone Star Ballroom A | Meet with an admissions counselor for one-on-one assistance with admissions or enrollment questions.                                                                                                     |
|        | Islander Housing - Live on Campus!                                   | University Center, Anchor Ballroom | Learn about our on-campus housing communities!                                                                                                                                                         |
|        | Housing Application Assistance                                       | University Center, Outside of Anchor Ballroom | Islander Housing is running a $0 down special during Island Day weekend, from Friday, April 5-Monday, April 8. Meet a housing representative for assistance.                                                     |
|        | Tours - Miramar & Momentum Village                                    |                                    | Tour both of our housing communities today! Walk or drive to Miramar (on the Island Campus), then take our shuttle or drive to Momentum Village (located on Momentum Campus).  
**Miramar:** Offering Tours of a private residence hall and 2 bedroom apartment until 5:00pm.  
**Momentum Village:** Offering tours of the community and 4 Bedroom-4 Bathroom apartment until 5:30pm. Momentum Village is located on 7037 Islander Way on the corner of Ennis Joslin Rd. and Islander Way (approximately one mile from the Island Campus).  
In addition to the housing tours, we recommend that you attend the “Islander Housing-Live on Campus!” session to learn detailed information about both of our on-campus housing communities.  
*Housing tours will also be offered during the morning and afternoon session times.  
*Shuttles to Momentum Village will be from 1:00 - 5:00pm at the bus stop near Corpus Christi Hall and the University Services Center. |
|        | Islander Student Panel                                               | Center for Instruction, room 138   | Get an Islander’s point of view on everything from campus dining, student life and college transition tips!                                                                                              |
|        | Campus Tours                                                          | Departing from University Center Info Desk | One-hour campus tours led by an Island Ambassador. Departing every session.                                                                                                                             |
|        | Check-out                                                             | University Center, Rotunda (near Bookstore) | Complete a survey and get your Islander T-shirt!                                                                                                                                                       |
